Dear "Mr. Rudy";

Just a note to tell you how much I appreciated your work at my Rotary Conference on May 1-3, 1998. Your work with the children was outstanding and sure showed the Presidents of the 40 Rotary clubs represented there, what your potential is in teaching self esteem to these kids. I hope there will be many calls for your services from the clubs within the District.

Also, I want to thank you for working with "Mr. Rotary" on the "Read to me" skit. Both you and I thought we blew it but all the comments I heard were that it sounded as if we had it rehearsed down pat. Thanks for the professional job. Hope to work with you again.

Good luck in all your good works.

Terry Youlton, Governor
